OASIS HILLS

Landscape Services

In addition to maintaining natural turf pitches, we also offer hybrid pitch options. Our services include Pitch renovation, irrigation design and installation, and winter overseeding. We are equipped with a fleet of top-quality, new turf maintenance and renovation equipment, including the Laser Grader, Vertidrain, Procore Aerator, tractors, Turf Stripper, Sweeper Collector, Verticutter, Dimple Seeder, Triple Mower, Fairway Mower and Pedestrian reel mowers.

MEET THE TEAM

Our team is highly experienced, with over 45 years of combined UAE and Middle East turf management experience, including an irrigation engineer with 20 years of UAE experience, as well as skilled groundsmen, operators, plumbers, and a mobile mechanic with a fully equipped Mobile service van. Our sister company is a dealer for most of the brands we use, giving us access to spare parts and product availability on short notice. We also have our own workshop and reel grinding equipment to support our needs.
